MAYOR CALLERO PROCLAIMS “NILES IS A RACHEL’S CHALLENGE TOWN”

Culver School board members, administrators, staff and students joined the Niles Village Board on January 24, 2012, as Mayor Robert Callero proclaimed Niles to be a Rachel’s Challenge Town and encouraged Niles residents to learn more about Rachel’s inspirational story and create a community of kindness by treating others with care and compassion in hopes of starting a chain reaction. Rachel Scott was the first person killed in Columbine on April 20, 1999. Through the contents of her six diaries left behind, her acts of kindness and compassion have lived on.
